WINCHESTER MUNICIPAL UTILITIES	)	
COMMISSION	)	

COMMISSION STAFF'S FIRST DATA REQUEST

Pursuant to Administrative Regulation 807 KAR 5:001, Commission Staff requests that Kentucky-American Water Company ("KAWC") and Winchester Municipal Utilities Commission ("WMUC") (or jointly as "Petitioners") file the original and 5 copies of the following information with the Commission within 14 days of this request, with a copy to all parties of record. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure its legibility. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Provide the sizes of master meters installed as described in paragraph 8 (Metering) of the contract.
2. Will any construction be required to carry out the terms and conditions of this contract? If so, describe individually each project, its location, cost, estimated date of beginning construction, and estimated finish date.

3. Administrative Regulation 807 KAR 5:066, Section 16, requires periodic tests of all water meters. According to paragraph 8 of the contract, the meters shall be tested at least once every 5-year period. Explain why this test period is used rather than the period prescribed by 807 KAR 5:066, Section 16.
